Astral Instructions:

- *Manifest Desire if you are in astral state using your hands or thought (for example – A Game console with games installed) – [Thought] – [Hand signal] – [Twist hand slightly] – [The effect manifests]*
- *Assuming Control*
- *Add more various phenomena of your choosing*
- *Enjoy! (also works with chemistry related influences too)*

This can work even if you are awake if you have completely lost your mind in to a dream state and are awake too!

How to manifest a Sega Dreamcast 2 in a lucid dream:

- *Have a belief and intent it is already there*
- *Look away and make assumption when you look back it will be there*
- *The item manifests*
- *Put a TV there through same method*
- *Start it up and turn the TV on either by psychically touching it or with Telekinesis*
- *Select a game or assume the item via same method*

If you need an example of what this works under for me and my diagnosis is:

Schizophrenia and Dissociative Identity Disorder
